LEATHER

#886

Designed for women, the slip-on design of the #886 provides easy on, easy off convenience, while its water-resistant leather and composite toe cap provide another layer of protection.

- Black, water-resistant leather slip on safety shoe with padded collar and tongue
- Lightweight, comfort fit designed specifically for women
- Breathable, moisture wicking lining
- Neoprene panel for reduced foot stress
- Removable PU foam footbed with XRD® Extreme Impact Protection heel insert for greater shock absorption and comfort. Footbed is anti-bacterial, washable and breathable
- XRD® inserted into the forepart of the innersole
- Rubber outsole has a high coefficient of friction for increased grip/slip resistance and durability
 - Oil, acid and organic fat resistant
 - Outsole heat resistant to 140°C
- TPU toe guard and Heel Torsional Stabiliser
- Ergonomically engineered toe spring for reduced wearer fatigue
- Nylon shank—ensures correct step flex point and assists with torsional stability
- Airport friendly
- Broad fitting 200 Joule impact resistant composite toe cap

However, if your feet are exposed to the risk of repetitive impacts, penetration or cutting hazards or electrical hazards, then we recommend that you consider one of our steel safety toe boots as they may be more suited to your needs.
